

## Hymn to Hecate Soteria

To **Hecate** Soteria, we raise our voice,  
Goddess of salvation, our hearts rejoice.  
Protector of souls, guide through the night,  
Your presence brings solace, a beacon of light.  
Devotees gather, bound by devotion,  
Seeking your blessings, in sacred emotion.

With torches in hand, we tread unknown paths,  
Trusting your guidance to avert life's wraths.  
Through trials and tribulations, you stand by our side,  
Granting courage and strength, as our fears subside.  
Oh **Hecate** Soteria, our guardian dear,  
We find solace in your presence, free from all fear.

In times of darkness, when shadows surround,  
Your grace illuminates, dispelling all doubt.  
In rituals we honor, with fervor and awe,  
We find unity, love, and sacred awe.

**Hecate** Soteria, we offer our plea,  
Embrace us, protect us, set our spirits free.

As devotees gather, a community strong,  
In your name, we come together, lifelong.  
We honor your essence, your wisdom profound,  
In gratitude, reverence, our voices resound.

**Hecate** Soteria, goddess divine,

With open hearts, we forever align.
